- **Referrals:** You may help with preparing a referral for one of our families (team members are required to sign a Confidentiality Agreement at the beginning of their shift to do so).
- **Safety Checks:** All our equipment is safety checked by a member of the team before it's gifted to a family. This includes highchairs, cots, and prams.
- **Other:** We also have a wide range of other tasks within our Hub including painting, decorating, and weeding. Please let us know if your team have any of these skills that you're happy to offer to help us with on your volunteering day.
